

The Annual Gala

Each year, our largest fundraiser is the Gala. This dinner event is a great way for us to come together as a pro-life community to support DMC's mission.

Consider sponsoring the DMC Gala. More information at divinemercycare.org/gala

Our Vision
Transforming Hearts
Through Healthcare™

Our Mission

Divine Mercy Care (DMC) is a non-profit umbrella organization whose mission is to advance pro-life healthcare through programs that serve those in need, inspire caregivers and medical professionals, and unify the pro-life movement.

Serve ✦ Inspire ✦ Unify

Serve Those in Need

Divine Mercy Care serves women's medical, material, and emotional needs, especially through supporting Tepeyac OB/GYN.

Inspire Caregivers and Medical Professionals

Divine Mercy Care works to ignite a flame in the next generation of pro-life caregivers and medical professionals who seek to practice in a life-affirming way.

Unify the Pro-Life Movement

Divine Mercy Care is building local and national unity among the many organizations that are engaged in pro-life and pro-family work.

And He said, “How shall we picture the kingdom of God, or by what parable shall we present it? It is like a mustard seed, which, when sown upon the soil, though it is smaller than all the seeds that are upon the soil, yet when it is sown, it grows up and becomes larger than all the garden plants and forms large branches; so that the birds of the air can nest under its shade.”

– Mark 4:30-32

We pray that every seed sown through DMC and its programs will grow up to further the Kingdom of God.

Helps about **200**
Moms in Need
Per Year

Serving women by financially supporting Tepeyac OB/GYN, where women receive excellent medical care from pro-life providers. One in three pregnant women at Tepeyac could not afford prenatal care without DMC's financial help, made possible by your assistance.

I can't say enough about Divine Mercy Care... specifically, Tepeyac [OB/GYN]. I couldn't believe my ears when someone told me about this pro-life doctor's office...within 3 miles of my home! I love the role that Tepeyac plays for people like me...I have insurance but benefit from being surrounded by...Catholic doctors in a contraceptive-free place...but I also love what it does for...less privileged people, providing free healthcare to those who need it. We need more places like Tepeyac to fight “the machine”...with truth and genuine love, care and concern for mother and baby. God is doing amazing things through Divine Mercy Care and I consider it an honor to...support them in even the smallest of ways.

- Client Served

Infant Gift Baskets

Providing mothers in need with material assistance.

Infant Loss Support

Honoring those who experience a poor prenatal diagnosis or the loss of a born or unborn baby.

Inspire

Pro-Life Education and Outreach

Inspiring and educating the pro-life movement about healthcare through means such as educational talks, writings, and filmed material.

Medical Education and Outreach

Offering talks at medical schools, coordinating medical student rotations at Tepeyac OB/GYN, and offering other forms of encouragement to equip more medical professionals to practice life-affirming healthcare.

I hope you remember me, your OB/GYN student from George Washington University back in 2004. I have my own practice in Miami, FL and I am on the board of Heartbeat of Miami, a pro-life organization which has saved thousands of innocent unborn lives. Thanks to your example when I rotated at your office, I knew this was possible. I am so happy to have heard you this morning [on EWTN] continuing the passion I experienced in my rotation with you.

- Medical Professional

Aslan's Army Church Education and Outreach

Working with an army of volunteers and church members to educate the church, recruit Tepeyac patients, and find Divine Mercy Care supporters.

Unify

Local Pro-Life Unification

Promoting local collaboration among the many organizations that can work together to provide more services to women and families.
