

Generation of Life Gala

CELEBRATING 25 years OF PRO-LIFE MEDICINE AT *Tepeyac OB/GYN*

On November 16, 2019, Divine Mercy Care (DMC) will host a very special celebration of a “Generation of Life” at the Tysons Sheraton. This year’s Annual Gala marks the 25th anniversary of Tepeyac OB/GYN. For a full quarter century now, Tepeyac has been transforming hearts through health care. We hope that you will consider partnering with DMC to celebrate this wonderful milestone and help ensure that women continue to have access to Tepeyac’s life-affirming medicine for many more years to come.

As a Gala sponsor, you will be helping to advance pro-life healthcare for women in need, including those facing an unplanned pregnancy or considering abortion. Last year, Tepeyac OB/GYN doctors delivered more than 400 babies, including 171 babies to uninsured or under-insured women and families. By supporting Tepeyac OB/GYN, you will also be strengthening our efforts to inspire and educate the next generation of pro-life doctors.

Sponsoring this Gala offers a unique way to advertise your Church or business, display your personal commitment to pro-life medicine, or express your gratitude for the generation of life made possible by Tepeyac OB/GYN. All Gala Sponsors will receive a table at the Gala, will be listed in the Gala program and invitation, and will receive social media recognition by Divine Mercy Care when they commit to a sponsorship. Other available sponsorship benefits include: complimentary guestrooms at the Tysons Sheraton, a VIP reception, and special advertising and signage at the Gala event. See the attached Sponsorship Levels for more information.

To be included as a sponsor on the invitation for Tepeyac OB/GYN’s 25th anniversary celebration, you must commit to sponsorship no later than August 23, 2019. To be recognized in the Gala program you must confirm your sponsorship by October 25, 2019. Your sponsorship donation can be mailed to the DMC office, or call 703-934-5552 to donate by phone.

The “Generation of Life” Gala is a celebration, not only of the doctors and staff of Tepeyac OB/GYN, but also of the patients and patrons like you who have supported Tepeyac every step of the way – from a one-man practice in the basement of Dr. John Bruchalski’s home in 1994 to a thriving five doctor practice in a state-of-the-art medical facility twenty-five years later. Through it all, it has been your generosity and friendship that has helped a generation of women choose life.

Please join us in celebrating 25 years of Tepeyac OB/GYN by sponsoring our “Generation of Life” Gala.

Our most sincere thanks for your support,

Will J. Waldron, Executive Director of DMC
